The ITF Women's Committee would like to thank you sincerely for your support and direction in the success of the first ITF Women's Conference. Your recognition and appreciation of the women of the ITF is a great tribute to your leadership and vision. Your generosity and goodwill was overwhelming.

As we move into the 60th Anniversary of Taekwon-Do it is timely that ITF women are standing together as a strong and vital element of our ITF community. We, as a committee and delegates from around the world, have shared knowledge and inspiration which have served to enhance our commitment to the advocacy and advancement of all ITF women toward a great ITF future,

Yours in Taekwon-Do
